

## ONLY FIVE MORE DAYS TILL CHRISTMAS

### Just Think What You Have Yet To Do

Do you realize that there are only five more shopping days to Christmas—and just think what you have yet to do. Time passes quickly in these December days and before you know it the great yuletide event is upon us and you'll be in a hurry and flurried to buy your Christmas needs and most likely you'll be disappointed in not being able to secure exactly the article you want.

Get at this pleasurable business as soon as you can, start tomorrow—Come to *The Fair* with the idea that you are going to finish your Christmas shopping right away. The most disinterested will admit it's better to shop before the crowds become so dense, which is invariably the case the last two or three days preceding Christmas. Our full Christmas force is ready—and we've drilled our staff of help so that they are well capable to attend to all your wants. Are you ready? We were never more so.
